

**Name:** James

**Run Date:** February 8, 2020

**Product:** Pearson Practice Test: CompTIA Security+ SY0-501

**Exam:** SY0-501 Exam #2

| Objective Name2  | Percentage % | Attempted | Correct |
|--|--------------|-----------|---------|
| Chapter 02 - Computer Systems Security Part I                            | 77.78        | 9         | 7       |
| Chapter 03 - Computer Systems Security Part II                           | 100          | 2         | 2       |
| Chapter 04 - OS Hardening and Virtualization                             | 66.67        | 6         | 4       |
| Chapter 05 - Application Security  | 100          | 2         | 2       |
| Chapter 06 - Network Design Elements                                     | 85.71        | 7         | 6       |
| Chapter 07 - Networking Protocols and Threats                            | 77.78        | 9         | 7       |
| Chapter 08 - Network Perimeter Security                                  | 66.67        | 6         | 4       |
| Chapter 09 - Securing Network Media and Devices                          | 100          | 4         | 4       |
| Chapter 10 - Physical Security and Authentication Models                 | 60           | 10        | 6       |
| Chapter 11 - Access Control Methods and Mode                             | 50           | 2         | 1       |
| Chapter 12 - Vulnerability and Risk Assessment                           | 83.33        | 6         | 5       |
| Chapter 13 - Monitoring and Auditing                                     | 100          | 3         | 3       |
| Chapter 14 - Encryption and Hashing Concepts                             | 33.33        | 3         | 1       |
| Chapter 15 - PKI and Encryption Protocols                                | 60           | 5         | 3       |
| Chapter 16 - Redundancy and Disaster Recovery                            | 50           | 2         | 1       |
| Chapter 17 - Social Engineering, User Education, and Facilities Security | 100          | 1         | 1       |
| Chapter 18 - Policies and Procedures                                     | 100          | 3         | 3       |
